DRY HUMOR

JADI DULU DI AMERIKA,
KAN NGGA ADA BAK MANDI
biur
biur
biur
JADI, BATHTUBNYA JADI BAK
MANDI. KARENA GA ADA
LOBANG DRAIN...
KAMAR MANDINYA BANJIR.
DI KERINGIN PAKE HANDUK.

IN INDONESIA, WE USE BATHTUBS DIFFERENTLY
INSTEAD OF STEPPING INTO THE TUB,
WE USE A WATER DIPPER TO WASH OUR BODY

BUT IN AMERICA, THERE IS NO DRAIN
OUTSIDE THE TUB.

SO HE HAD TO CLEAN THE
FLOODED BATHROOM WITH A TOWEL

kenapa payungnya
ga di pake?

males bukanya.

(ah trus lup di atas kepala?

ngelindungin topinya.

WHY DON'T YOU USE THE UMBRELLA?

TOO LAZY TO OPEN.

THEN WHY IS IT OVER YOUR HEAD?

TO PROTECT THE HAT.
